Come to Mitochugogahara station tomorrow at eight in the morning. I'll be at the central ticket gate.

Hmm, where should I go exactly?

Excuse me, isn't this a mistake?

Sorry to bother you but please reply.

Last night, I was contacted and summoned early on Sunday morning...

Of course I waited, you forced me to come here!

Did you wait?

It's morning, and Junior-chan is waiting--

...
What's
wrong?

Is there
something
you want to
tell me?

She's not...
wearing the
same clothes
as usual, so
something's...

...Ah,
n-noth-...

...

Eh?
Ah, erm,
where are
we...?

Then
let's go!

The bride bound by blood, giving in
to extremely sweet temptation.

Welcome to
Happiness-
Land!!

I'm
Moe-chan
the Dog!

Senpai,
why did
we come
here...?

Let's
all have
fun to-
gether
today♥
Listen to
what
people
say!

We-
We're
not!

This is
Mii the
Black Cat!
We are
very good
friends!

Erm, can we take a picture?

Let-Let's go!

Ha-

But we
won't know
what's where
if we don-

We don't
need a
pamphlet!

So,
where
are we
going
next?
Let's
take a
look at the
pamphlet
they gave
us at the-

~~~~~  
You've seriously  
been looking  
forward to this  
trip for a while,  
haven't you!!!!?

I've memorized  
all the attractions  
inside this park.  
I've made a per-  
fect schedule for  
everything!

First, let's  
go to Happiness  
Drive! On this ride,  
we're going to go  
on an adventure  
with the HappiLand  
friends!

Oh no, a  
typhoon is coming!  
It's going to spoil  
our picnic~

clash

Uwah-  
The wind  
is quite...

キヤ kya

Se-Senpai,  
that's  
because...

Ayafuji,  
your face  
is...

Next is that!

Yes, yes.  
Ah, this looks like  
a shortcut!

We can do  
that too.

Oh, this is  
delicious.

but she seems to be having fun.  
It's completely the opposite  
of how she is at school.

Anyway,

...I thought  
I was called  
out today because  
of the limitation of  
needing to suck  
blood once a day,

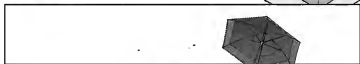

tap

when she's like this,  
I can't think of her  
as being a leg-  
biting pervert.

So,

Why  
did you lie  
and tell me  
that you  
would be  
fine?

I knew  
that you  
couldn't deal  
with sunlight  
very well.

...  
Shut  
up!

Bull's-eye.

Shut  
up!!

...

...  
Pretend-  
ing to be  
tough,  
huh?

thanks.

Ah,

...

*It's not  
only that  
though.*

As you  
can see,  
I've got  
anemia.

...Your  
hand is  
freezing,  
Senpai.

You know,  
I don't mind  
if you suck  
my blood!

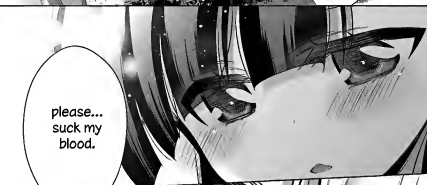

Isn't that  
the reason  
you called for  
me today?

...So,

! Ah,  
yeah,  
that's  
right!  
We have  
our blood  
limitation  
...

please...  
suck my  
blood.

But,

any more  
reason for me  
to be with her.

there  
won't be

Because,  
when she  
bites me,

in a way,  
I don't want  
her to bite me.

And,  
it'll be our  
farewell  
for the  
day.

I'll do it  
after I  
rest a bit  
more.

...Hey,

I want to  
ride that  
next!

Kya!

sway

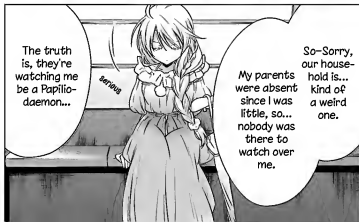

Wait,  
you've  
never  
ridden in  
one of  
these be-  
fore?

Ugh

Please  
be  
care-  
ful.

Th-The  
carriage  
is swaying  
quite a  
lot!

The truth  
is, they're  
watching me  
be a Papilio-  
daemon...

serious

My parents  
were absent  
since I was  
little, so...  
nobody was  
there to  
watch over  
me.

So-Sorry,  
our house-  
hold is...  
kind of  
a weird  
one.

and thus  
I put on this  
character  
without any hint  
of sweetness.

That's why  
I don't want  
to display any  
weakness,

Hey!  
Geez!

That  
certainly  
explains  
it.

Ah

...

Both  
my parents  
were gone,  
so I was a  
huge cry-  
baby.

I've been  
living with my  
grandmother  
since I was a  
little child. My  
parents died  
in a traffic  
accident.

I have nothing  
to say to that.

...

Those  
feelings.

That  
certainly  
explains  
it.

Ah

and after  
less than a  
month in the  
hospital,

...However,  
my grand-  
mother fell  
sick last  
winter

she passed  
away.

Thus, I  
turned into  
a completely  
lonely person.

And so, I  
had to change,  
and I joined  
Fujigamine  
Academy.

...Well, you don't  
have to pay tuition  
fees when you're a  
scholarship student,  
which is why I  
actually joined.

So,

The top panel shows two girls sitting on a ledge in front of a large window. The girl on the left has blonde hair and is wearing a dress. The girl on the right has dark hair in pigtails and is wearing a dark dress. They are both looking at each other.

I'm glad  
that we  
came  
here.

you don't  
have to  
worry,  
I'm fine.

...In fact,  
I used to come  
here with my  
grandmother too.  
We liked this  
place.

A close-up of the blonde girl's face, looking down with a slight smile.

Because

grows a  
smile on  
their face,  
right?

The bottom panel is a close-up of the dark-haired girl smiling broadly with her eyes closed. She has a joyful expression.

everyone  
that comes  
here

You're right.

Oh?  
Indeed.

Ah! It looks  
like the parade  
just started!

Do  
you...

...want to  
come sit  
beside me  
to watch?

Do  
you...

creek

Ye-  
Yes...

unbutton

Even  
though  
she could  
be...

hold

She  
tremble

...sucking more  
intensely...

...She's  
treating  
me more  
delicately  
than usual...

that kind  
of a friend,  
huh.

She's

Awawawa-  
I mistyped  
something.

Erm,  
I- had- fun-  
too-...

That  
girl...

I can't  
believe  
this...  
She's this  
formal  
over  
Line  
too.

These  
two  
got a  
bit  
clos-
